Strengths: into media and coding, tend to structure things

Weaknesses: anti work sometimes, shy

Core Values:

- Discussing everything and making the instruction clear to understand.
- Having a non toxic work environment.
- Health and wellness
- Equality
- Personal growth
- Compassion
- Performance

Group norms:

- Clear communication between each other.
- If you are late or can't come, tell us on time.
- Having deadlines before the actual deadline, so that we can look back at everyone's work and deliver quality work.
- Give everyone the chance to voice their input.
- When we don't agree, we try to compromise. If that doesn't work we vote on the best option.
- We work on discord.

Roles:

No official roles assigned

Metrics of success:

- If everyone in the group is happy with the results.
- If you are proud of the end product.
- If the teachers approve of our work.
- If all goals we set for ourselves are reached.
- If we accomplish something that not many people can get or create.
- If we learned something new that we didn't know about.

Standards of Quality:

- The deadlines we set are met.
- When people get what they expected.
- A quality that everyone agrees on, which is nice for everyone.
- People deliver on what is asked from them.
